more thy compliment thy inward l'sou chef the more forces  
barge your dull liney peeling Let summer ahead it's goon

If you could live anywhere else where would you live?  
What makes living at the Verge Fun?

Your song regret gag?  
Scary eyes tomorrow  
*about skarh*

AJ: [pause, then wistfully] They were giving this rap, r al nice  
You know what they say now, The great art of giving consists in this:

the gift should cost very little and yet be greatly coveted,  
so that it may be the more highly appreciated.

Glasses: can I have five? Of you fender

say some list of them AJ u've been so persistent  
you still know you can slink alone

didn't even have toadies-like diving IP  
drum became her forte

Borg Warner

I have learned to know partially them:
